

1 Corinthians: True Freedom is Peace in Christ

March 27, 2011

Paul's Example of Freedom In Service and Caution against Abuse [1 Cor. 9 - 10.12]

I Corinthians 9.

How did Paul use his 'rights' among the Corinthians in Christ's Mission?

What rights does he forego? What does that mean?

Why does he forego those rights?

Why does he end with the analogy of the race runner? What will defeat him? What has that to do with rights? Being a Christian?

I Corinthians 10.1-12:

Why was God displeased with most in the Exodus? Is this threat real? Do people take this seriously?

Is God speaking here to those who absent themselves from church? What says he to them? (Heb. 10.24-31)

What is God's answer to Christians' dissatisfaction? Next week : I Cor. 10-11; Fellowship in Christ.
